

**REFERENCE LIST OF MAJOR PROJECTS**  
**POWER PLANTS - OIL & GAS PROCESS PLANTS**  
**Petrochemical Plants - Chemical Plants - Refineries - Gas Liquefaction Plants - Industrial Plants**

OWNER	COUNTRY	PLANT	WORK PERFORMED	CONTRACT PERIOD
TECHNIP Middle East Project Int.	Abu Dhabi	ADGAS Das Island	Fabrication and supply of n° 45 Preassembled Racks (PAR) Modules	2008
EMAS OFFSHORE CONSTRUCTION PTE LTD	Thailand		Fabrication and supply of FPSO mounted skids for Natural Gas Compression (skids weight 400 tons each approx.)	2007
DAPETCO	Egypt		Fabrication and supply of Separator and LP Slug Catcher skid-mounted	2006
BERGESEN ASA	Nigeria		Fabrication and supply of one LPG Splitter Module	2006
RELIACE/SAIPEM	India	Jamnagar Refinery	Residual engineering, procurement, fabrication and load out of n° 11 Jackets, n° 19 Trestles, n° 9 Decks in concrete, n° 11 Bridge Walkways, n° 35 Dolphins for Jamnagar Tanker Berth	1997-1999
HYUNDAI ENGINEERING & CONSTRUCTION	Qatar	Duckan Arab "D" Gas Recycling Project	Supply of materials, fabrication and erection of steel structures, fabrication and erection of piping, installation of equipment	1996-1997
QAFCO - QATAR FERTILIZER COMPANY	Qatar	Urea and Ammonia Plant	Engineering, procurement, erection, start-up and commissioning of Ammonia (1,500 tpd) and Granulated Urea (2,000 tpd) Plant including offsites and utilities	1994-1997
STATOIL	Kalundborg Denmark	Condensate Plant	Construction engineering, fabrication, final assembly and load out of n° 38 onshore modules for Condensate Plant	1993-1994
CTIP	Odessa Ukraine	Refinery Complex	Erection of HSD Plant including steel structures, piping and process equipment	1992-1994
BIPC/TECNIMONT	Bandar Iman Iran	Petrochemical Complex	Reconstruction of Polyolefine Unit including dismantling works, repair works and installation of new items	1992-1994
TECNIMONT/VO TECHMASHIMPORT	Lisichansk Ukraine	Polypropilene Plant	Complete fabrication and erection of Polypropilene Plant including civil works	1992-1993
BIPC/TECNIMONT	Bandar Iman Iran	Petrochemical Complex	Reconstruction of Butadiene and Synthetic Rubber Plant including dismantling works, repair works and installation of new items	1992-1994
ARAMCO	Saudi Arabia	Safaniya Offshore Platforms	Development of detailed engineering, supply of bulk materials, steel structures and piping fabrication, equipment construction and assembly of n° 5 Jackets and n° 8 modules. Transportation to safaniya Oil Field. Offshore hook-up activities.	1991-1995
HADEED/PETROBAU	Saudi Arabia	Midred Direct Reduction Plant	Fabrication and erection of steel structures and piping, equipment erection, electrical and instrumentation works, painting works, insulation works and fireproofing works.	1991-1992
NIOC/JGC	Arak Iran	Refinery Complex	Complete erection including civil works of following process and utilities plants: - Atmospheric Distillation 150,000 BPSD - Vacuum 65,000 BPSD - HC Unibon 22,000 BPSD - Hidrogen Plant 50 SCFD - Sulphur Recovers 55 TPSD - Facilities and utilities	1990 - 1993
